

The Rose Legacy Orphaned Anthea Cross-Thornley has been shuttled between family members her whole life. When she receives a letter from a long-lost uncle, she dares to dream that she will finally find a home. Upon her arrival she is shocked to learn that her uncle secretly breeds horses--animals that have been forbidden in their kingdom for centuries. More alarming is Anthea's strange ability to sense the horses' thoughts and feelings, an ancient gift called The Way. Confused and terrified, Anthea is desperate to leave, but when dangers arise that put her family and her kingdom at risk, she has no choice but to embrace The Way and the exciting future adventures it will bring her.
